If planting service is desired (at additional cost) check here ☐

THIS list comprises some of the finest of the new roses, together with the standard and well tried varieties. Our roses are strong, field grown, budded plants, established in pots, so that they can be moved to your garden without loss, at any time after the planting season opens. We are prepared to supply the varieties described in this list in any quantity. Order now for full and continuous blooming season.

As all plants are subject to prior sale, for complete selection, order immediately

Varieties	Quan.	Amount	Varieties	Quan.	Amount
NEW HYBRID TEA ROSES					
Abol —White Center petals pink changing to pure white. Extremely fragrant. \$1.50 each.			Dame Edith Helen —Perfect buds, developing into wonderful flowers. Brilliant yet soft Rose du Barri pink.		
Betty Suttor —Inside of petals, a delicate rosy pink, outside a bright rosy pink. Vigorous healthy free grower. \$1.50 each.			Duchess of Wellington —Intense saffron-yellow, stained crimson; very fragrant.		
Charles P. Kilham —Brilliant oriental red, flushed with orange and glowing scarlet. \$1.50 each.			Edel —Flowers of great depth, white with faintest ivory shading. Stately.		
Duchess of Athol —Old golden-orange flushed with peach pink, profuse bloomer, vigorous growth. \$1.50 each.			Eldorado —Golden yellow. Tall, vigorous grower; free blooming.		
E. G. Hill —Dazzling scarlet, shading to a deeper red. Strong vigorous free flowering. \$1.50 each.			Etoile de Hollande —Red. Vigorous and dependable.		
Golden Dawn —A magnificent Rose of Australian origin, of an exquisite light lemon-yellow. Strong, vigorous, branching habits, with healthy foliage. Very free flowering. \$1.50 each.			Felicity —Mallow-pink shading to bright cerise. Large double fragrant flower.		
Jules Gaujard —Cochineal crimson changing to orange rose. Free flowering and vigorous habit. 1.50 each.			Frau Karl Druschki —Snow-white with deep, firm petals. Grows 4 to 10 feet; blooms freely and continuously.		
Konigin Louise —Very large double white flower that lasts a long time. Of strong growth and healthy foliage. \$1.50 each.			Gruss an Teplitz —Scarlet. Blooms freely for a long season; large bush.		
Lady Forteviot —Flowers bright golden yellow, flushed with cardinal red, delightfully fragrant and large. \$1.50 each.			Imperial Potentate —Rose-pink; fragrant. Fairly profuse. A very handsome Rose.		
Mevrouw G. A. Van Rossem —A marvelously beautiful rose with an unique color combination not found in any other variety. A blending of dark vivid orange and apricot on a golden yellow ground, fragrant, large, flowers. \$1.50 each.			John Cook —H.T.—Bud dark pink or cherry red flower much like La France, but back of petals are very dark pink. Moderately fragrant, prolific bloomer, healthy foliage.		
Polly —Near Ophelia. Center golden yellow changing to tender flush pink towards edges. Outer petals become creamy white. \$1.50 each.			Kaiserin Auguste Viktoria —Soft pearly white with slightly tinted lemon center; remarkably fragrant. An old favorite.		
President Herbert Hoover —A glorious combination of cerise-pink, flame, scarlet, and yellow with broad, thick, heavy petals exquisitely perfumed. \$1.50 each.			Lady Alice Stanley —Deep rose outside, flesh inside. Good foliage, disease resistant.		
Talisman —A remarkable piece of coloring. A combination shading of gold, apricot-yellow, deep pink, and old rose. \$1.50 each.			Lady Ashton —Deep pink. Vigorous grower; profuse bloomer.		
HYBRID TEA ROSES (Old Favorites)			Mme. Butterfly —Soft light pink tinted yellow at base of petals. Exquisite for cutting.		
Betty Uprichard —Inner face of petals delicate salmon-pink, outside glowing carmine with coppery sheen.			Mme. Edouard Herriot —One of the most brilliantly colored Roses known. Coral-red, opening orange; large flowers of orange-red and salmon.		
Columbia —A most pleasing shade of rose-pink; delightfully fragrant. Free blooming.			Mme. Jules Bouche —Superb white flowers shaded light blush in center; fully double; fragrant.		
			Margaret McGredy —Large, brilliantly colored, double flowers, of an entrancing shade of rich oriental red, passing to carmine-rose.		
			Miss Catherine Cook —Rich dark carmine, similar to the American Beauty.		
			Miss Rowena Thom —Long and shapely buds, opening to perfect double flowers of brilliant rose-pink. Flowers are very large.		
			Mrs. Aaron Ward —Yellow. Profuse bloomer, and a fine bedding variety.		
			All of the above two year old plants are \$1.00 each, \$11.00 per doz., \$90.00 per 100, except where noted.

Varieties	Quan.	Amount	Varieties	Quan.	Amount
Mrs. A. R. Waddell—Beautiful tapering buds of yellowish copper, opening to bronze-pink and apricot. A splendid decorative Rose for borders or massing.			Golden Salmon—Vivid scarlet-orange growing lighter with age. The showiest and most remarkable of this class.		
Mrs. A. R. Barraclough—Very large, conical buds and enormous pure pink flowers shaded with clear light yellow at base of petals. Beautifully formed and unusually fragrant.			Gruss an Aachan—Color flesh pink with salmon and yellow shading. Very effective as a bedder.		
Mrs. C. W. Edwards—A very attractive flower with orange-flame tints at the base of light crimson petals. Plants are strong and prolific.			Ideal—Small, very double flowers in enormous clusters; rich, dark, blackish-crimson.		
Mrs. Erskine Pembroke Thom—Rich deep lemon-yellow, sweetly scented.			Lafayette—Large, semi-double light red flowers in loose sprays. Taller than most and perpetually blooming.		
Mrs. Henry Bowles—Bright pink, a good clear color. Vigorous and free flowering.			Miss Edith Cavell—Similar to Ideal, but a shade or two lighter and brightened with white streaks.		
Mrs. Henry Morse—Two contrasting tones of pink with an underlying yellow glow. Fragrant and very free flowering.			Mme. Norbert Levavasseur—The original Baby Rambler. Bright crimson.		
Mrs. Wakefield, Christie-Miller—Clear rose and light pink, with many peony-like petals and a sweet perfume. Strong plant; healthy foliage.			HARDY CLIMBING ROSES		
Padre—Copper-scarlet with bright yellow at base of petals. Flowers semi-double.			Modern improved varieties with magnificent, large flowers on long stems, and the best of the old popular sorts. \$1.00 each, except where noted.		
Pink Beauty—H. T.—Long pointed flower, large, clear pink, fragrant, and very lasting.			Albertine—Large, semi - double, peach - colored flowers produced in reckless profusion.		
Radiance—Light pink; very fragrant. Prolific bloomer. The most reliable Hybrid Tea Rose.			American Pillar—Enormous clusters of single, brilliant pink flowers with white and gold centers; extremely vigorous.		
Red Radiance—A light crimson-red variation of Radiance.			Chaplin's Pink—A rich lively pink, large flowers, vigorous growth and hardy. A new variety. \$1.50 each.		
Rev. F. Page-Roberts—A supremely gorgeous Rose; copper-colored buds opening to golden yellow blooms stained outside with red.			Climbing American Beauty—Large, beautifully shaped blooms of rich red-purple, fragrant; moderate growth.		
Rose Marie—Rose-pink. Vigorous; free blooming.			Climbing Betty—Large, semi-double, buff-pink flowers, produced on and off all season. Extra-large plants. \$2.00 each.		
Sir David Davis—Deep glowing crimson of an even shade, running to light yellow at base of petals. Strongly sweet scented.			Dorothy Perkins—Small, double flowers of brilliant shell-pink borne in tremendous clusters; very vigorous plant.		
Souvenir de Claudius Pernet—Brilliant yellow, inclined to dark center, rather single.			Dr. Huey—Large, ruffled blooms of dark blackish crimson produced in clusters; very vigorous.		
Souvenir de Georges Pernet—Brick-red buds opening to orange-pink blossoms of immense size; deliciously fragrant.			Dr. W. Van Fleet—Large, exquisitely formed pale pink flowers on long, strong stems for cutting; very strong growth.		
Ville de Paris (City of Paris)—Rich buttercup yellow without a trace of any other color, retaining its richness under all weather conditions.			Emily Gray—Large, semi-double, rich buff-yellow flowers, deliciously scented. Foliage bronzy and very glossy. A superb variety		
Wilhelm Kordes—Unique rich red coppery suffusion overlaying a golden salmon ground, varying under different weather conditions.			Gardenia—Large flowers of creamy white, shaded heavily with yellow in the bud. Beautiful foliage and very strong-growing plants.		
All of the above two year old plants are \$1.00 each, \$11.00 per doz., \$90.00 per 100, except where noted.			Jacotte—Large, semi-double, bronze-yellow and apricot flowers, similar to those of Independence Day. A remarkable variety. \$1.50 each.		
NEW HYBRID PERPETUAL			Mary Wallace—Large, luminous pink flowers on long stems. Handsome and very popular.		
Mme. Albert Barbier—Long buds, pearly white, diffused with soft, salmony flesh. Golden apricot centre. \$1.00 each.			Mme. Gregoire Staechelin—The most remarkable of new climbers. Flowers very large, semi-double, pale-pink splashed with maroon and crimson. \$1.50 each.		
POLYANTHA OR BABY ROSES			Paul's Scarlet Climber—Large, well-shaped flowers of brilliant, blazing scarlet. The brightest red of all climbing Roses.		
Everblooming varieties with flowers in clusters. \$1.00 each, \$11.00 per doz., \$90.00 per 100.			Silver Moon—Enormous, almost single, pure white flowers with immense golden yellow centers.		
Cecile Brunner—Pale pink and gold.					
Chatillon—Enormous clusters of vivid shell-pink flowers which last a long time.

STANDARD ROSES

These are tree-shaped plants consisting of well-developed heads, excellent for the center of beds or for bordering the walks. Formal and very beautiful, with 3½ to 4-ft. stems, \$3.50 each.

Dame Edith Helen
Double White Killarney

Hadley
Kaiserin Auguste Viktoria

Mme. Edouard Herriot
Radiance

Red Radiance
Souv. de Claudius Pernet

Towson—Selected Roses from pots may be set out successfully as late as June, but it is always better to give them as early a start as possible. May planting is much preferable, but not essential, although orders should be placed at once to assure complete selections.
